Dear Sir,

Subject:- Conditions of Supply and
Miscellaneous charges.

With reference to your letter No.6356/36-El dated 6th June, 1949, we state as follows:

The service line is an asset of the company. We would invite reference to the definition of "original cost" in respect of any asset, item 6 of clause XVII of the sixth schedule to the Electricity (Supply) Act 1948, and particularly to part (c) of this item.

With a view to avoid frequent references to the Electrical Inspector as envisaged in paragraph two of your letter, it would be better to allow the existing provision re. 15% on both materials and labour to remain as a sanctioned condition.

We request you to kindly reconsider your decision and let the sanctioned charge remain in force.

Yours faithfully,

Dear Sir,

Re: Conditions of supply in respect of Belapur, Bulsar, Bhiwandi, Dohad, Kalyan, Khanewal, Palgaon & Chalisgaon, Licensee. Security Deposits against payment of monthly bills.

As per conditions of supply we are allowed to take deposits,

1) for lights and fans per 0.5 K.W. or less applied for .... Rs. 5-0-0

2) for Motive Power per B.H.P. or less installed Rs.10-0-0

from the consumers.

From our experience, we observe that bills of lighting consumers are not covered in the deposits shown above. We serve notice to consumers every two months if they are in arrears of the previous month's bill, when a new bill is prepared. Thus almost two months pass before a lighting consumer is disconnected and the amount for two months' bills, comes to about Rs. 10/-.

We follow the above procedure for serving a notice for disconnection as per B.E.S.T. Undertaking. To serve notice and follow procedure of disconnection every month, is troublesome to the consumers and to the Company for a small amount of about Rs. 5/-, and hence the above procedure has been found convenient in practice. We generally, get bad experience to recover bill amount from consumers whose installations are disconnected, in cases where deposits are short.

In order to safe guard our Co.'s dues, deposit of Rs.10/- for lights and fans per 0.5 K.W. or less is necessary and we shall thank you to sanction the same at your earliest.

Yours very truly,
The Consolidated Electric Agencies Ltd.
